

Product Safety Recall

Airwalk Reflex Scooter: Model Number 41414
Sold by Target Australia between May 2013
and September 2013.

Defect: There is a possibility of steering tube
breaking under conditions of extreme use.

Hazard: If defect occurs whilst in use you may
lose control of the scooter causing injury.

What to do: Customers should contact
Hunter Leisure to receive a replacement fork
sent directly to you free of charge.

Contact details: Contact Hunter Leisure
between 8.30am – 5pm, Mon-Fri on
1800 632 792 to arrange a replacement fork
that can easily be replaced by consumers.
Customers can also contact our
website www.hunterleisure.com.au or
via email on spares@hunterleisure.com.au
